

## Errata

In the article “Medical physical examination in connection with torture, section II”, TORTURE vol. 15 no. 1, three pictures

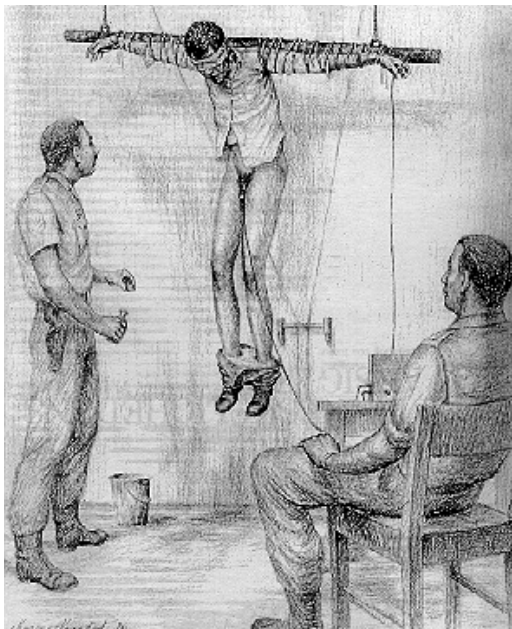

were unfortunately incorrect selected. Figure 5, 7 and 9 are to be substituted with the following Figure 5, 7 and 9.

*Figure 5.* Frontal section through the shoulder joint.

*Figure 7.* Suspension with the arms in forward flexion.

*Figure 9.* Crucifixion. The shoulder joint in abduction.
